TESTIMONIALS

HERE'S WHAT PAST PARTICIPANTS HAD TO SAY ABOUT THE WORKSHOP

"Meeting once a month helped keep me focused and on track. I enjoyed meeting the other participants and watching their stories develop. We gelled into a supportive writing community. I would highly recommend this workshop."

-AH

"John and Kristine sometimes made me laugh, not only because of their persuasive sense of humor but honest and gut wrenching insights that brought depth to my thinking on levels I would not have thought about myself. The year was so short, and I miss the chance to be able to continue to work with peers whom I came to know, trust, and value."
